Changes in Patent Fees

This is to notify you that the price of printed copies of patents has been increased to 25¢ per copy. The price of printed copies of trade-marks and design patents will remain at 10¢ per copy.

You may continue to use 10¢ coupons for printed copies of patents at the rate of five coupons for each two copies of printed patents, or two and one-half coupons for a single copy. If half coupons are utilized, care should be exercised in folding and cutting the coupon directly in the center, so the coupon will be equally divided.

20 - 10¢ coupon orders (Pads)...\$ 2.00
100 - 10¢ coupons (Stub books)... 10.00

Used primarily for ordering copies of trade-marks, designs, photostats and photographic prints.

20 - 25¢ coupon orders (Pads)...\$ 5.00
100 - 25¢ coupons (Stub books)... 25.00

For ordering copies of U. S. Patents.

All fees are payable in advance.

Please be advised that the law does not provide means for the exchange or redemption of Patent Office coupons as they are in the same status as postage stamps which are non-returnable for redemption.

However, coupons are good until used, and may be transferred if the owner so desires.
